Per our telecon, attached is the Company Sponsorship Form (with Xerox copy) for the Program for Management Development for [REDACTED]

[REDACTED] I have sent the Personal Application to [REDACTED]

On the form, the company address should be shown as Washington, D.C. 20505. The session starts 5 Sept 1973.

After the application has been completed and okayed by your Security Officer and the Central Cover Staff, please return the original to me. You may retain the Xerox copy for your files. The applications are due at Harvard by 1 March; therefore, I would appreciate receiving the papers not later than 20 February.
